

SEX EDUCATION

Excusing Students from Sex Education Instruction

As parent and/or legal guardian of _____ I do
(Name of Student)

hereby request that he/she be excused from any planned instruction in sex

education for his/her class at _____
(Name of School)

during the current school year. I understand that sex education has been defined by the State Board of Education in WAC 180-50-140(2) as the study of the anatomy and physiology of human reproduction. I also understand that alternative educational endeavors shall be provided for my child when excused from this area of study.
